

MoM for the pre-bid meeting held on 12th Feb ,2018

Venue: BEE, Conference hall at 3:00 pm

The pre-bid meeting was chaired by Ms. Vineeta Kanwal (Joint Director) for the pre-bid meeting for RfP for up-gradation & development work of D-CRM & PATNet and consultancy services. Sh. Vishal Mehta (Project Engineer) reiterated all the points in the ToR to the participants. He also explained all the major requirements from the agency who will work on the project.

The list of the participants is attached at Annex 1.

Following are major points being discussed during the meeting.

1. It was discussed that new formats and no. of reports needs to be developed in the PATNet and D-CRM. It was then explained to the bidders that in PATNet there are no such reports needs to be developed but in D-CRM there are requirements of few reports. It was also intimated that no. of reports in D-CRM is limited, its not the case that number of reports are infinite.
2. It was being conveyed to all the participants that we will not compromise in terms of the experience of the officials as per our requirements of 7 team members. .
3. One of the participant is from Positive Edge who has worked on the PATNet and D-CRM in 2012-13. They have mentioned that currently they are having 150 officials having D-CRM experience on board.
4. The queries related to the digital signature deployment, automated linkage between the PATNet & D-CRM and shifting of the current applications from CDAC to e-cloud. Positive suggested that all these requirements are easily feasible. They are having the experience for the same.
5. It was told by the participants that there is no need to buy the new licenses for the D-CRM. The need is to up-grade the expired service agreement with the Microsoft and BEE can upgrade it directly.

Annex 1

| Sl. No. | Name | Organization/designation | E-mail id |
