11	Remarks	<p>After my post graduation in Engineering , I am working in energy sector and have 18 years experience in various fields of power generation , which includes operation ,maintenance ,project Financing ,Energy Conservation, power sale and regulatory issues .In Power sector earlier the energy efficiency was not a matter of concern and main focus was the availability and PLF ,However after Electricity act 2003 and EA2001 lot of attention has been drawn on auxiliaries power consumption and heat rate improvement in the sector. Thanks to my exposure to Various German Industries during my training on Energy and Environment . I developed Interest in resource and Energy Conservation and cleared the Energy auditors exam conducted by BEE/NPC .After my training in Germany and clearing the Energy Auditors Exam While working as Manager (Energy Efficiency ) in Indraprastha Power Generation Company Limited/pragati Power Corporation Limited , have been Instrumental in Implementation of various measures of Energy and resource Conservation . I have been associated in Energy audit of IPGCL/PPCL power stations and Voluntarily served carry out energy audit various establishments. I am enrolled for study on 'Energy audit and Conservation in Industries of NCR region by waste heat Utilization ' leading to award of Ph D in Engineering. I have already got conducted/associated my self in about 120 Energy Audits covering various consumer sector.The details of CV is attached as reference .</p>
