No. 45/02/NMEEE/Energy Efficiency/2025

9th June 2026

Subject: Seeking inputs/comments on the draft detailed procedure for programme of activities (PoA) under the Offset Mechanism - reg

Dear Sir/Madam,

This is with reference to the Carbon Credit Trading Scheme (CCTS), 2023 notified by the Ministry of Power, in which a national framework has been established with an objective to reduce the greenhouse gases emissions from the Indian economy by pricing the GHG emission through trading of the carbon credit certificates.

With respect to the above, the Bureau has developed the draft detailed procedure for programme of activities (PoA) for offset mechanism.

In view of the above, you are requested to provide inputs and suggestions in the required word format latest by 8th July 2026 by email to sdiddi@beeindia.gov.in and meenakshi@beeindia.gov.in.

Yours sincerely

(Saurabh Diddi)
Director
