Auditors Details Mr. Ankush Garg

Certificate Validity This certificate is valid till, no major changes are done in the server-side code of the application. Ensure any new changes introduced on the application should undergo a security assessment.

Production URL <https://beeindia.gov.in/>
Scope of Audit Black box security audit of **Bureau of Energy Efficiency** website built on Drupal CMS hosted at <http://betastages.com/bee2/>

Out-Of-Scope of Audit Security audit of the website's hosting infrastructure (servers, network, database, etc) and the source code.

Conclusion and Recommendations

Conclusion Mentioned development URL has been thoroughly tested while adhering to CERT-IN testing standards and found to be free of OWASP Top 10 and other known web application related vulnerabilities and **is safe for hosting.**

Recommendations

During Production Hosting

- Security Harden the OS/Web Server/DB Server
- Install and configure SSL Certificate on the server
- Set Complex alphanumeric Login Password
- Set SECURE & HTTPOnly params ON, for website cookies

After Hosting

- Regularly Update OS, Web & DB Server and Application
- Re-Audit the web application, at-least annually
