**BUREAU OF ENERGY EFFICIENCY**  
(Government of India, Ministry of Power)

F. No. NMEEE-11023/6/2025-BEE / 4048

To,

**All State Load Dispatch Center**  
(List Enclosed)

**Subject:** Certification of Renewable Consumption Obligation (RCO) Data of Electricity Distribution Licensees (DISCOMs)

**Ref:** i) Gazette Amendment Notification S.O. 4421(E) dated 27th September 2025 issued by MoP (Copy Enclosed)

ii) Gazette Notification S.O. 4617(E) dt 20th October 2023 issued by MoP (Copy Enclosed)

**Dear Sir/Madam,**

The Ministry of Power (MoP), through its Gazette Notification No. S.O. 4617(E) dated 20th October 2023, specified the minimum share of electrical energy consumption from renewable sources for designated consumers — including electricity distribution licensees, open access consumers, and captive users — in pursuance of the provisions of the Energy Conservation (Amendment) Act, 2022.

2. Subsequently, in supersession of the above notification, MoP issued an Amendment Notification No. S.O. 4421(E) dated 27th September 2025, further clarifying and strengthening the Renewable Consumption Obligation (RCO) framework. The amendment explicitly provides that no additional Renewable Purchase Obligation (RPO) shall be imposed under the Electricity Act, 2003, and that all State-level RPO targets shall stand subsumed within the national RCO framework.

3. As per the said notification, the Bureau of Energy Efficiency (BEE) has been entrusted with the responsibility of maintaining data relating to renewable energy consumption compliance by designated consumers, and of submitting a consolidated report to the Central Government, with copies to the respective State Electricity Regulatory Commissions (SERCs).

4. The amendment further mandates that, for the purpose of compliance monitoring, all electricity distribution licensees shall furnish their renewable consumption data in the prescribed format duly certified by the concerned State Load Dispatch Centre (SLDC).

5. Accordingly, all DISCOMs are required to submit the said compliance report for FY 2024–25 — duly certified by the SLDC — by 31st October 2025, and by 31st July for each subsequent financial year.

6. You are, therefore, requested to kindly extend the necessary cooperation in verifying and certifying the energy data submitted by the respective DISCOMs, to ensure timely and accurate reporting under the RCO framework, in accordance with the provisions of the aforesaid notifications.

**Enclosure:** As Above

**Yours Sincerely,**

  
(Milind Deore)  
Secretary
