F. No. NMEEE-11018/1/2023-BEE *12610*

Dated: 24th July' 2025

Subject: Extension of Deadline for Submission of RCO Compliance for FY 2024-25.

- Ref:** i). BEE letter dt 30th May 2025 on Extension of Deadline for Submission of RCO Compliance for FY 2024-25
- ii). BEE letter dt 14th May 2025 on Compliance and Reporting of Renewable Consumption Obligations (RCO) for FY 2024-25.

Sir/Madam,

This is in reference to the BEE Notice dated 14th May 2025 and subsequent extension given vide letter dated 30th May 2025 regarding submission of Renewable Consumption Obligations (RCO) compliance data by Designated Consumers (DCs) for FY 2024-25.

2. Earlier in response to the notice sent vide ref (ii) above, several requests were received from industries and other stakeholders seeking extension of the submission deadline of 30th May 2025, citing internal data finalization, verification, and audit scheduling constraints.

3. Accordingly, taking into consideration the genuine difficulties expressed by the industries and with the aim of supporting smooth and accurate compliance reporting, the submission deadline **was earlier extended to 31st July 2025** (vide ref (i) above).

4. Consequently, with regard to filling up of the details in the proforma, BEE had several rounds of stakeholders' consultations with each industrial sectors including DISCOMs and also meetings were held with the Empaneled energy auditing firms on submission and verification of details in the proforma.

5. Further, in view of the genuine difficulties expressed by the industries in these meetings and considering the fact that this is the first year of RCO monitoring under the Energy Conservation Act, it has been decided to **further extend the deadline of submission of RCO compliance data till 30th Sept' 2025**.

6. Accordingly, **all DCs are now required to submit the final RCO compliance report** (certified by the Plant Head and **audited by a BEE-empanelled Accredited Energy Auditing Firm**) on or before 30th Sept' 2025.

7. The submission modalities earlier issued and conveyed vide above references remain unchanged. We request all designated consumers to take note of this revised timeline and ensure timely and accurate submission of compliance data.
