Dated: 30<sup>th</sup> May 2025

**Subject: Extension of Deadline for Submission of RCO Compliance for FY 2024-25.**

**Ref:** BEE letter dt 14<sup>th</sup> May 2025 on Compliance and Reporting of Renewable Consumption Obligations (RCO) for FY 2024-25.

Sir/Madam,

This is in reference to the BEE Notice dated 14<sup>th</sup> May 2025 regarding submission of Renewable Consumption Obligations (RCO) compliance data by Designated Consumers (DCs) for FY 2024-25.

2. In response to the notice, several requests have been received from industries and stakeholders seeking **extension of the submission deadline of 30th May 2025**, citing internal data finalization, verification, and audit scheduling constraints.
3. Taking into consideration the genuine difficulties expressed by the industries and with the aim of supporting smooth and accurate compliance reporting, **it has been decided to extend the submission deadline to 31<sup>st</sup> July 2025**.
4. Accordingly, all DCs are now required to submit the final RCO compliance report (certified by the Plant Head and audited by a BEE-empanelled Accredited Energy Auditor) on or before 31<sup>st</sup> July 2025. There will be no requirement for an interim submission by 30<sup>th</sup> May 2025.
5. The submission modalities remain unchanged:
  - Hard and soft copies of the compliance report must be submitted to BEE, New Delhi
  - A copy should also be marked to the respective State Designated Agency (SDA)
  - **Soft copies must be emailed to: [rco.support@beeindia.gov.in](mailto:rco.support@beeindia.gov.in)**
6. You are once again reminded that non-compliance or failure to submit the required information within the extended timeline will be treated as zero compliance and attract penalty as per Section 26(3) and 26(4) of the Energy Conservation Act, 2001.
7. We request all designated consumers to take note of this revised timeline and ensure timely and accurate submission of compliance data.
