24<sup>th</sup> February 2026

**Sub: Seeking stakeholder comments on Provisionally eligible Accredited Carbon Verification Agency under Carbon Credit Trading Scheme (CCTS) – Reg.**

Dear Sir/Madam,

The Government of India has taken the initiative to develop the Indian Carbon Market (ICM) framework where a national framework has been established with an objective to reduce the greenhouse gases emissions from the Indian economy by pricing the GHG emission through trading of the carbon credit certificates. In this context, the Central Government notified the Carbon Credit Trading Scheme.

Further, the Bureau has published the Accreditation Procedure and Eligibility Criteria for Accredited Carbon Verification Agencies to define the minimum eligibility requirements for accreditation and to provide a clear and transparent procedure for accrediting eligible ACV agencies to undertake validation and/or verification activities under the ICM.

In this regard, the Bureau has received applications from agencies seeking accreditation as carbon verification agencies. As per Clause 4 of Section 7.2 (Review of Application) of the Accreditation Procedure and Eligibility Criteria for Accredited Carbon Verification Agencies, the Bureau is seeking comments and information regarding these verification agencies. Stakeholders are requested to submit their responses within 15 days from the date of this letter, i.e., by 11<sup>th</sup> March 2026, via email to [sdiddi@beeindia.gov.in](mailto:sdiddi@beeindia.gov.in).

Following are the provisionally eligible agencies under ICM for the stakeholder comments. In this context, stakeholders are requested to provide comments and information regarding these verification agencies

1. Ensimulated Solutions LLP
2. Operative Energy Solutions India Pvt. Ltd
3. RSJ Inspection service Limited
4. Prajakta Energy Audit Private Limited
5. Carbon U Turn Technologies Pvt Ltd
6. Encon Sustainability Private Limited
7. Greenfinch Real Estate Engineers and Consultant Private Limited

It may be noted that the above-mentioned agencies should not be considered as an accredited carbon verification agency and cannot make any such claims. The details of the above-mentioned agencies are provided in **Annexure – 1** and the stakeholder comment format are provided in **Annexure – 2**.

Yours sincerely,

(Saurabh Diddi)  
Director, BEE

### Request for Stakeholders Comments for Provisionally Eligible Agencies

Agency Name	Operative Energy Solutions India Pvt. Ltd	
Organization Address	Golden - I, Unit No. T2-309, Building No - T2, Floor - 3rd Floor, Plot No-11, Sec- Techzone 4, Greater Noida West, Ultra Pradesh - 201318	
Temporary AGV Registration Number	TACV010	
Type of Mechanism applied for Accreditation	<b>Compliance Mechanism</b>	
Description as provided by Agency	<p><b>1. Energy Audits</b> The organization conducts comprehensive energy audits for industrial, commercial, and institutional clients. These audits assess energy consumption patterns, identify inefficiencies, and recommend cost-effective energy-saving measures. The audits are carried out in accordance with the Energy Conservation Act and Bureau of Energy Efficiency (BEE) guidelines.</p> <p><b>2. Sustainability Consulting</b> The organization offers sustainability advisory services, helping clients implement environmental best practices and develop roadmaps toward carbon neutrality. This includes greenhouse gas (GHG) accounting, sustainability reporting (e.g., GRI, CDP), and life cycle assessments (LCA).</p> <p><b>3. Water Audits</b> Through detailed water audits, the organization identifies opportunities to optimize water usage and minimize losses in various sectors, including manufacturing and agriculture. These audits promote efficient water use, recycling, and rainwater harvesting strategies.</p> <p><b>4. Environmental Compliance and Monitoring</b> The organization assists clients in complying with local, regional, and national environmental regulations. This includes preparation of Environmental Impact Assessments (EIA), pollution monitoring, and reporting as per CPCB/SPCB requirements.</p> <p><b>5. Research and Capacity Building</b> The organization conducts training programs and workshops on energy management, water conservation, and regulatory compliance for industry professionals and students.</p>
