

PRESENTATION TO BUILD UNDERSTANDING ON THE PATNET PORTAL AND ESCERTS TRADING

TRADING OF ESCERTS UNDER PAT

- Energy Conservation Rules, 2012 (PAT Rules 2012) notified on 30th March 2012 by Ministry of Power, has specified that the ESCerts to be issued/entitled to purchase will be in electronic form and tradable on Power Exchange. – ***BEE developed PATNet portal for all the DCs through which they upload their forms and ESCerts can be electronically issued/entitled to purchase to them.***
- ***CERC is the market regulator for trading of ESCerts, POSOCO is the Registry for ESCerts; and IEX as well as PXIL are the Power exchanges***

BACKGROUND OF PAT CYCLES

- In PAT cycle I, Ministry of Power issued approximately 38.25 lakh ESCerts to 309 Designated consumers while 110 Designated Consumers have to purchase ESCerts for their compliance. Important achievements of PAT cycle I trading are:
 - Trading of approx. Rs. 13 lakh ESCerts has taken place.
 - Overall business of Rs.100 crores have taken place.
 - 96% of the Designated Consumer(buyers)s have met their compliance.
- PAT Cycle –II (2016-17 to 2018-19) commenced from 1st April, 2016 under which 621 industrial units from 11 sectors (8 existing sectors and 3 new notified sectors viz. Railways, Refineries and electricity distribution companies (DISCOMs) have been notified
- PAT cycle III (2017-18 to 2019-20) has commenced from 1st April 2017 under which targets for 116 DCs in 6 sectors have been notified.
- PAT Cycle IV (2018-19 to 2020-21) has commenced from 1st April 2018 under which 109 DCs have been notified.
- PAT Cycle V (2019-22) has commenced from 1st April 2019 under which there are 8 sectors and 110 DCs.

TRADING REGULATIONS

- Central Electricity Regulatory Commission (Terms and Conditions for Dealing in Energy Savings Certificates) Regulations, 2016 was issued by CERC on 27th May, 2016 and notified on 30th May, 2016. Important features of this Regulation are as follows:
 - a. Roles & responsibilities of Administrator, Registry, CERC and Power exchanges were defined.
 - b. Market price of ESCerts shall be discovered through bidding at power exchanges i.e. through closed double-sided uniform price auction.
 - c. Interested DCs to whom ESCerts have been either issued or are entitled to purchase by MoP have to register themselves with 'Registry' i.e. POSOCO to become eligible entity
 - d. For trading in Power exchanges too the DCs have to get themselves registered with any of the exchange.

KEY FEATURES OF ESCERTS

- The energy savings certificates (ESCerts) shall be issued in electronic form.
- The DC who has been issued ESCerts during the current cycle may sell them through Power Exchange, or may use them for the purpose of banking until their next consecutive compliance cycle. The ESCerts issued in a cycle period shall remain valid till the completion of compliance period of their next consecutive cycle.
- The ESCerts purchased by a DC for the purpose of compliance with the energy consumption norms and standards shall after their submission to BEE stand expired.
- ESCerts once sold cannot be re-sold.

CONTINUE....

- Value of one ESCert is equal to one metric ton of oil equivalent of energy consumed. The value of per metric ton of oil equivalent of energy consumed shall be prescribed by Central Government , in consultation with BEE, under Section 14 B of the Energy Conservation Act 2001.
- As per PAT Rules amendment dated 31 March 2016, the value of per metric ton of oil equivalent for 2014-15 is Rs. 10968. BEE is in process of revising the value of mtoe for PAT cycle II.
- For trading of ESCerts, no floor price or forbearance price has been defined as the price of ESCerts shall be discovered at the power exchanges
- A buyer DC can buy the ESCerts upto or more than their compliance whereas a seller DC can not buy the ESCerts. DCs to whom the ESCerts shall be issued can sell them at Power exchanges and balanced ESCerts can be utilized for compliance of their next consecutive PAT cycle.
- The ESCerts submitted to BEE for meeting the compliance, will stand expired. After purchasing ESCerts DCs cannot re-sell them and could use those ESCerts for compliance of current or for compliance of their next consecutive PAT cycle.

PROCEDURE FOR TRANSACTION OF ESCERTS

- BEE (Administrator) had developed the detailed procedure for transaction of ESCerts in consultation with POSOCO (Registry) and on 14th February 2017, the Procedure was approved by the Commission. Following are important features of Procedure:
 - a. Template of application form to become eligible entity for trading of ESCerts has been defined. Documents like PAN, TAN, CIN, etc shall be required. DCs shall fill up application form through PATNet (where already DCs of PAT cycle I are registered)
 - b. Process of application scrutiny by Registry has been detailed
 - c. Registry shall grant certificate of Registration to eligible entities
 - d. Event of default will happen when a DC who is a seller will place bid more than the ESCerts issued to it. Upto three times, it will be simply debarred for one month and more than three times he continues, then the DC will be debarred for six months from the trading.
 - e. Interface activities between Power exchanges and Registry, Administrator and Registry, and Registry and Designated consumers have been defined in detail.

FEE ORDER FOR TRANSACTION OF ESCERTS

- On 24th March 2017, CERC approved the Fee order for transaction of ESCerts, with following details:
 - i. One time Registration Fee of Rs. 15000/- per eligible entity. However, CERC vide its revised fee order dated 19th May 2017 exempted the DCs to pay registration fee till 31st December 2017.
 - ii. The Eligible Entities who have been issued ESCerts, shall pay ESCerts Fee at the rate of Rs. 5/- per ESCert.
 - iii. The taxes and duties on fees & charges shall be applicable as per the prevailing norms.
- All payment to Registry shall be done only through ECS and no draft / cheque will be accepted. Transaction id of RTGS / NEFT has to be provided in the application form to become eligible entity.

PATNET HELPDESK

PATNET HELPDESK FOR HANDLING THE QUERIES OF DCS

- DCs having any queries regarding the registration on the PATNet platform can e-mail to BEE on the helpdesk platform.
- The e-mail id for the Helpdesk platform id helpdesk-patnet@beenet.in.
- The contact no for the helpdesk is 011-26194772.
- Timeline for solving any query is maximum of 3 days.
- Till date we have solved more than 400 queries.
- Every query raised from the DCs is having one unique complaint no. If query is not resolved in 3 days, DCs can contact BEE using that complaint no.

PROCEDURE FOR HELPDESK.....

- **Step 1:** Write to PATNet helpdesk with regard to any PATNet related issues (Registration related issues, issues regarding uploading of forms on PATNet, accessibility of PATNet portal). PATNet helpdesk email id is helpdesk-patnet@beenet.in
- **Step 2:** In case of user id password related issues please download manual available on BEE PATNet portal i.e <https://beenet.gov.in> with the heading of “[The Change in credentials PH & EM](#)”.
- **Step 3:** After registration of complaint at PATNet helpdesk an acknowledgment email shall be sent to DC/EM/EA immediately with complaint number. This complaint shall be addressed in 3 working days “including the date of registration of complaint”. Within these 3 working days PATNet helpdesk team including IT agency shall resolve the issues and shall also send an intimation back to the DC regarding the successful closer of their complaint. In case of any major issues, the DC/EM/EA will be informed about the status of their complaint and the required time to resolve it.
- **Step 4:** If DC still faces any query then they may contact PATNet helpdesk on phone no. **011-26194772** (Office timings 9:30 am to 6:00 pm on working days).
