## Live Mint:

The screenshot displays the Live Mint website interface. At the top, there is a navigation bar with the 'mint' logo, a search icon, and links for 'e-paper' and 'Sign in'. Below the navigation bar, a breadcrumb trail reads 'Home / Industry / Energy / Union power ministry celebrates Energy Conservation Week'. The main content area features a large article titled 'Union power ministry celebrates Energy Conservation Week' with a sub-headline 'India has already reached an emission reduction of 28%. Photo: Reuters'. The article includes a photo of a power plant chimney emitting smoke. Below the photo, it states '1 min read, Updated: 11 Dec 2021, 05:23 PM IST' and 'Livemint'. A bullet point mentions that the Bureau of Energy Efficiency organized a national workshop on energy efficiency in the Indian residential sector. To the right of the article, there is an advertisement placeholder that says 'Ad removed. Details'. Below the advertisement, a 'Trending' section lists three articles: 'Omicron India update: State-wise status as tally crosses 200', 'RIL's weightage may rise in Sensex: These IT, bank stocks likely to see decrease', and 'Rakesh Jhunjhunwala portfolio: Experts give buy on dips tag to this ₹200'. A left sidebar contains various navigation options like 'Home', 'Latest', 'Trending', 'Premium', 'Coronavirus Vaccine Tracker', 'Coronavirus', 'Market Dashboard', 'Long Story', 'Plain Facts', 'Mark To Market', 'Primer', 'Photos', and 'Podcasts'.
