

Sub: Seeking prices for EVSE types (100 KW)

Date 15th August, 2020

Sir/Madam,

As you may be aware the Bureau of Energy Efficiency (BEE) has been designated as the Central Nodal Agency (CNA) under the “Charging Infrastructure for Electric Vehicles – Guidelines and Standards” – issued by the Ministry of Power (MoP) for the successful rollout of public EV charging infrastructure in the country. BEE has been receiving requests from its State Nodal Agencies (SNAs) requesting prices and Type test details for the high capacity EV chargers with capacities in excess and including 100kW for deployment on state highways and otherwise. Accordingly, with the view of providing state agencies with the price benchmarks for these high capacity chargers, it is requested that manufacturers may kindly submit prices for respective EVSE products in the below format.

S.no	Type of EVSEs (Min O/p Capacity excluding conversion loss)	Quantity(Nos.)	Charging Guns (Nos.)	Cost of EVSE in Rs (Lakhs) excluding GST	Cost of 3 years Warranty excluding GST	%GST	TYPE test Certificate as per applicable BIS/IEC (Yes/No)	BIS/IEC Standards Details	Value of import content in % of the overall cost of EVSE	Details of Imported Components	Country of Import
1	CCS-II +CHAdEMO (Min. 100 kW)	up to 50	2								
		50> to> 100									
		100>to 200									
2	CCS-II (Min. 100 kW)	up to 50	1								
		50> to> 100									
		100>to 200									
3	CHAdEMO (Min. 100kW)	up to 50	1								
		50> to> 100									
		100>to 200									

It is again clarified that this is not a competitive bidding process but an exercise to discover the price of such high capacity EV chargers. Kindly note that prices for EVSE products Type tested in NABL or BIS labs as per applicable Indian /IEC standards should only be provided to

BEE. Delivery /AMC /Insurance costs need not be included in the EVSE price. Also, all the manufacturers are requested to register their products at the GeM portal. Duly filled in Formats may be mailed to BEE on tripathi.deepak@beenet.in , rajeevk@beenet.in. For any clarification please feel free to contact undersigned through the aforementioned contacts.

This issues with the approval of DG, BEE
