

Corrigendum/clarifications to queries raised by bidders in response to the RFP for "Hiring of an Agency to identify and recommend measures to enhance Indigenous content in BEE Star rated appliances/equipment under Aatmanirbhar Bharat Abhiyan"

Sr. No.	Section/ Page of RfP	Statement	Clarification sought	Corrigendum/ Clarification
1	Scope of Work /Expected Outcomes 3.4	Develop relevant Government regulations as necessary and also <i>support to establish adequate infrastructure to develop a strong supply chain mechanism</i> both at the component level and the also for the finished goods.	Is the work being requested involves only providing recommendation on establishment of infrastructure (committee / entity/association) which helps to develop a strong indigenous manufacturing supply chain? Please provide a clarity on expectation from the consultant regarding "support to establish adequate infrastructure to develop a strong supply chain mechanism".	Scope of work is as defined in Task 1, Task 2 and Task 3 and include support for recommendations proposed by the hired agency in developing the relevant Government regulations as necessary and recommend ways / options to establish adequate infrastructure to develop a strong supply chain mechanism both at the component level and also for the finished goods.
2	3. Minimum Eligibility Criteria 4. Evaluation Criteria	3. Minimum Eligibility Criteria Prior experience of completing at least 5 major Policy, Regulatory and Research related assignments. 4. Evaluation Criteria Marks Allotted: More than 5 projects but	Conflict in eligibility and evaluation criteria The eligibility criteria mention requirement of experience in at least 5 assignments whereas a note in evaluation criteria mentions maximum of 5 credentials.	In order to address the conflict, the following is proposed to be changed in the evaluation criteria: Minimum 5 projects : 20 Marks More than 5 projects but less than 10: Max. 25 Marks More than 10 projects: Max. 40 Marks

		<p>less than 10: 20 More</p> <p>than 10 projects but less</p> <p>than 15: 25 More than 15</p> <p>projects: 40</p> <p>Note: <i>Maximum 5 credentials can be submitted for this criterion.</i></p>	<p>Kindly clarify this conflict. Please provide clarity on the number of assignment credentials that are required to be submitted.</p>	
3	<p>Minimum Qualification and Area of Expertise in Sr. No. 1</p>	<p>Bachelor in Engineering with Masters or MBA or PhD with 15 years of experience</p>	<p>Could the Master's degree or MBA be substituted with more years of experiences than the current stipulated requirements?</p>	<p>Bachelor's in engineering with Master's or MBA or PhD with minimum 15 years of experience</p> <p>OR</p> <p>Bachelor's in engineering with minimum 18 yrs of experience</p>
4	<p>Physical signatures & Proposal printed format</p>		<p>In light of the ongoing COVID- 19 situation, the physical signature criteria shall require some extra time as team members are working remotely. Requesting BEE to extend the submission date by another week to 18th December 2020.</p>	<p>Last date of submission of bids may be extended till 20th Dec, 2020. (Up-to 3:00PM)</p>
